

Hellenic School Cultural Program

What is the Hellenic School of Ottawa Cultural Program?

This program will be offered to all children attending the Hellenic School of Ottawa. Its goal will be to provide a fun and relaxed learning environment to further enhance conversational skills and spoken Greek, through the use of songs, theatre, dance and artistic expression. Special guests will be invited to further engage the children in spoken Greek. The children will also gain a better appreciation and understanding of Greek culture by further exposing them to mythology, history and geography.
