### **ANNOUNCEMENT**

The AHEPA Ottawa Chapter is compiling the

#### **Ottawa Valley AHEPA Business and Professional Directory.**

The objective is to present a directory so that our people can network. In addition others outside the Greek Community need to see and appreciate our strength in business and the professions.

#### **To be listed in the Directory:**

1) You must be a Greek Business or Professional. You can only list the persons working in your organization who are of Greek descent. Or

2) Working for non-Greek business (for example a Bank) or for a non-Greek Professional organization (for example a Consulting firm, Law Office etc.)  
Again, only persons of Greek descent can be listed.

A registration form has been developed and can be obtained from the Church or Community offices, members of the AHEPA family or by emailing your request to [ahepaottawa@rogers.com](mailto:ahepaottawa@rogers.com).

Please take a registration form and pass it along to your Greek friends or relatives. The Directory will be an indication to others of our business and professional strength for the benefit of all of us now and in the future.

Cheers,

George Pitsicoulis, B.Comm., M.B.A.  
President  
AHEPA Ottawa Chapter C.J.5
